Result of a Thorough Overhauling of the Rosters of the Country's Post Offices.

UNAUTHORIZED INCREASES CUT OFF.

Positions in the Offices in New York Boston, Brooklyn, St. Louis, Washington, Los Angeles, Louisville Chicago and Eight Smailer Offices are Affected.

Washington, May 30 .- As a result of the thorough overhauling of the rosters of the post offices throughout the country, Postmaster-General Payne has announced his approval of instructions reducing the salaries of assistant postmasters at 14 second-class post offices to 50 per cent. of the salaries of the respective postmasters. Among them are Cairo, Ill.; Clarinda, Ia.; East St. Louis, Ill., and Ponce San Juan, Porto Rico. He has found 36 officials in the postal service who hold offices under designations not authorized by law, and directed that their positions be changed to conform to the law governing them. They were in New York, Boston, Brooklyn, St. Louis, Washington, Los Angeles, Louisville, Chicago and eight other offices.

Among these designations not authorized by law are "superintendent of stations" (although there is a superintendent for each separate station), "auditor of stations," "inspec-tor of stations," etc. Violations of the law which fix the maximum salary of clerks in second-class post of- he regarded this net result of the fices at \$1,000 a year, except in the case of assistant postmasters, will be corrected at Leadville, Col., and three

The postmasterof the violation of law shall take effeet next Monday, and changes made to conform to the rules and practice of the department will be operative year. Most of these excessive allowances were made during the administration of George W. Postmaster Merritt of Washington City Replies to the Charges of Former Cashler Tulloch.

Washington, May 30 .- Postmaster-General Payne has made public the reply of Postmaster Merritt, of this city, to the Tulloch charges. The Merritt response makes serious accusations against former Cashier S. W. Tulloch, of the Washington post office, saying that a transaction in which Mr. Tulloch was concerned in 1898 "appears to comprehend the presentation of a false voucher, which is

made a crime by the statutes." Mr. Merritt's reply further alleges that receipts were signed in blank on the pay rolls during Mr. Tulloch's regime as cashier, and that the files do not indicate any complaint of ir-regularities against the Washington post office filed by Mr. Tulloch while he was in office. Mr. Merritt says the general practice of giving employes the practice of paying certain exout of the Washington city post office funds always has existed and is prop-

"Before I became postmaster," says Mr. Merritt, in his reply to Tulloch, "one of the employes of the post ofreceive more than the salaries to fice was suspended from duty from which their designated positions as May 5 to June 3, 1898, without pay, assistant superintendents" entitle without any reason of record, so far them, and in these cases the postmas- as I have learned, and without any deter-general has directed the salaries partmental authority. The eashier probably had the postmaster's order to do this, and it seems he did not make personal use July 1, the beginning of the new fiscal of the money. But the transaction appears, nevertheless, to comprehend presentation of a false voucher.

"The money thus unlawfully taken was divided by the cashier or by his direction among a number of persons, upon orders signed in the name of the postmaster by his assistant (though in one case no order has been the post office department."

Postmaster Merritt then, speaking most at once after he became postmaster, declares the removal was no mistake and for reason therefor says: "Take this incident related to me

Continued Heavy Rains Creating a Most Serious Condition in Northern Kansas.

TRAINS DELAYED IN EVERY DIRECTION.

Hundreds of Families Driven From Their Homes and Thousands of Acres of Growing Crops Ruined-Highest Stage of Water on Record Predicted.

Topeka, Kas., May 30.-Railroad traffic in this city is practically at a standstill on account of the floods. The Rock Island and Union Pacific are not running any trains, while the Santa Fe runs only to Emporia and duties seemingly incompatible with the Missouri Pacific to Fort Scott. their positions is no abuse and that The flood situation is the worst ever known in the state. Perhaps 250 penses of the post office department houses are in the flooded district in Topeka, including several mills and elevators and the Wolff packing house.

The conditions in "Little Russia," the Russian settlement in North Topeka, is serious. The entire settlement is under water, and a current the country. The only irregularities has started through the district. Fear is expressed that the channel of the river may change. Several houses already are twisted on their foundations, and they probably will col-lapse. Every family has had its household goods damaged, and some have lost everything.

The Kansas river is five miles wide at St. Mary's, and the town is half submerged. The Kansas river bridge there is partially washed out, and the river is rapidly rising.

Late Friday afternoon the Kansas river bridges at Maple Hill, Rossville, Silver Lake, Bellvue and St. George were washed out. The new steel bridge at Willard is damaged beyond repair, and at Topeka the street railway bridge is useless. Several hundred cattle have been drowned.

A startling story comes indirectly from Manhattan that a cloudburst in that vicinity has started a four-foot volume of water down the Kansas river. River men discredit the story, although they will keep watch for the threatened rise.

The Rock Island has news of a bad cloudburst near Herington, which has put all the streams out of their banks. Fifteen inches of water fell in Abilene. Business houses are collapsing. and the entire town is panic stricken. It is impossible to get around on account of the water. Women are prostrated, and the people are afraid of what will happen next. The Smoky river is three or four miles wide at Abilene, and every wagon and rail-

road bridge around there is out. Last night's rain extended all over central and northern Kansas, all of which is drained by the Kansas river. Rain fell during the morning at many of the flooded points, and at four o'clock another heavy rain, almost a cloudburst, fell. This will make the

situation much worse. To-day the flood is at its heighth and the situation is extremely critical for North Topeka, Abilene, Wamego and other towns along the Kansas river.

The police and fire departments in Topeka have organized to rescue people from the flood on the north side of the river. The condition there is alarming. Rain is still falling.

FATALITIES AT COUNCIL GROVE.

Baby's Body Found In the Missouri Pacific Yards.

Council Grove, Kas., May 30,-The loss by flood in Morris county is estimated at \$1,000,000. Four persons were drowned here Thursday night. Edward Clements perished while en-deavoring to save his daughter, Ralph Philipps, while trying to rescue a little girl named Woods was drowned with her. A baby was found dead in the Missouri Pacific yards. Slacking lime set fire to the M. R. Smith lumber yard which was burned together with Farmers' and Drovers' bank, the Indicator store and Robbins' drug store, the total loss being \$50,000. The big Main street bridge over the Neosho river went down. All the business houses were flooded. Miles of Missouri Pacific and Katy tracks were washed out.

DESTRUCTION IN OKLAHOMA. Five Persons Perish In the Flood at Harrison.

Guthrie, Okla., May 30 .- Reports of destructive storms throughout the territory continue to arrive. At Harrison the flood killed five people, Mrs. Bryles and child, a child of John Alexander, and two persons whose bodies have not yet been recovered. The drowning of several Indians is reported from Anadarko. In Gay county a tornado killed Mrs. Isaac Jones, wrecked four post offices, and near Little Robe completely demolished a farm residence. At Wellston the storm is reported to have fatally injured one woman and destroyed several buildings.

ALARMING AT KANSAS CITY.

Residents at Harlem Rescued from

Their House Tops. Kansas City, Mo., May 30 .- The Kansas and Missouri rivers are rising here at an alarming rate and the indications are that all previous highwater records at this point will be broken during the next 48 hours. Much damage has already been done to property in the lowlands along the two rivers, and much apprehension is felt for the safety of property in the west bottoms district of this city.

Ter cars loaded with grain and coal were placed on the bridge to hold it her health.

REVISION OF THE CREED.

The Presbyterian General Assembly, by Unantmous Vote. Adopts the Creed Revision Report.

Los Angeles, Cal., May 29.-In the Presbyterian general assembly, Thursday, a motion made by Dr. W. N. Page for the adoption of the report of the revision committee as a whole prevailed by unanimous vote. The moderator later was authorized to appoint a committee to confer with the Cumberland Presbyterian committee on the question of uniting the two

churches. After the reading and adoption of all the overtures, Chairman Van Dyke said he wished to make it clear, and especially did he wish to say, "to the brethren of the press that this revision does not mean that the Presbyterian church has changed her base one inch, but it does mean that she has broadened and strengthened her foundations. Her divine sovereignty shall never be interpreted so as to mean fatalism."

The discussion was continued by Dr. H. C. Minton, Dr. C. A. Dickey, Dr. J. W. Peach and others. After brief speeches by Rev. Dr. William Henry Roberts and Moderator Coyle, a motion was made by Dr. W. N. Page for the adoption of the report of the revision committee as a whole. The motion prevailed by unanimous vote. Then Moderator Coyle offered a

prayer of thankfulness that "this morning's work had marked the consummation of 15 years' earnest effort in the Presbyterian church."

By the adoption of the election overtures, important additions, amplifications and amendments are made faith. Of these one of the most vital is the erection into the church doctrine of the belief that all who die in infancy are saved, which is embodied in the declaratory statements regarding Chapter III. of the confession of faith and Chapter X., Sec-

"That concerning those who are saved in Christ, the doctrine of God's eternal decree is held in harmony with the doctrine of His love to all mankind, His gift of His son to be the propitiation for the sins of the whole world and His readiness to bestow His saving grace on all who seek it; that concerning those who perish, the doctrine of God's eternal decree is held in harmony with the doctrine that God desires not the death of any sinner, but has provided in Christ a salvation sufficient for all; adapted to all and freely offered in the gospel to all; that men are fully responsible for their treatment of God's gracious offer; that His decree hinders no man from accepting that offer and that no man is condemned except on the ground of his sin. Also that it is not to be regarded as teaching that any who die in infancy are lost. We believe that all dying in infancy are included in the election of grace and are regenerated and saved by Christ through the spirit, who works where and how He pleases."

For Section 6, Chapter XXV., of the confession of faith the following is substituted:

"Lord Jesus Christ is the only head of the church, and the claim of any man to be the vicar of Christ and the head of the church is unscriptural. without warrant in fact and is an usurpation dishonoring to the Lord

Three additional chapters are add-

the Holy spirit." The report of the special committee on divorce and remarying was taken up, Dr. Charles A. Dickey, chairman, speaking in support of its recommendations. There was no discussion of the report, as this had been forstalled by the passage of the reso-lution enjoining Presbyterian ministers from performing the marriage ceremony in cases of divorced persons at last Monday's session. The report was unanimously adopted.

FIRE AND FLOOD CLAIM MANY LIVES.

Special Train Carrying a Steamboat to the Stricken City-Rescue Work Goes On-Galveston Responds Nobly With Contributions for Sur-

Topeka, Kas., June 1 .- With one hundred and seventy-five or two hundred lives lost; millions of dollars of property destroyed; hundreds of pistol shots as signals of distress, blended with the agonizing cries of unwilling inhabitants of tree tops and roofs of houses, and the waters creeping upward and then slowly subsiding and alternately changing hope to despair, the capital city of Kansas passed the memorable Sabbath day of its ex-Istence. Through all this discomforting condition of affairs was added the presence of a cold and dismal rain.

The ardor of heroic rescuers was not abated in the least by the conditions which confronted them. For long dreary hours knee-deep in water and sometimes in water up to their necks, they worked with might and main. To-day they can proudly point to three hundred or more rescued to the articles of the confession of ones who, otherwise, might have been swept away in the current.

The Ills of Women Act upon the Nerves like a Firebrand.

The relation of woman's nerves and generative organs is very close; consequently nine tenths of the nervous prostration, nervous despondency, "the blues," sleeplessness, and nervous irritability of women arise from some derangement of the organism which makes her a woman. Herein we prove conclusively that Lydia E. Pinkham's Vegetable Compound will quickly relieve all this trouble.

Details of a Severe Case Cured in Eau Claire, Wis.

*Dear Mrs. Pinkham: —I have been ailing from female trouble for the past five years. About a month ago I was taken with nervous prostra-tion, accompanied at certain times before menstruation with fearful head-aches. I read one of your books, and finding many testimonials of the bene-ficial effects of Lydia E. Pinkham's Vegetable Compound, experienced by lady sufferers, I commenced its use and am happy to state that after using a few bottles I feel like a new woman, aches and pains all gone.

"I am recommending your medicine to many of my friends, and I assure you that you have my hearty thanks for your valuable preparation which has done so much good. I trust all suffering women will use your Vegetable Compound."—Mrs. MINNIE TIETZ, 630 First Ave., Eau Claire, Wis. (May 28, 1901).

Nothing will relieve this distressing condition so surely as Lydia E. Pinkham's Vegetable Compound; it soothes, strengthens, heals and tones up the delicate female organism. It is a positive cure for all kinds of female complaints; that bearing down feeling, back-ache, displacement of the womb, inflammation of the ovaries, and is invaluable during the change of life, all of which may help to cause nervous prostration.

Read what Mrs. Day says:

"DEAR MRS. PINKHAM: - I will write you a few lines to let you know of the benefit I have received from taking your remedies. I suffered for a long time with nervous prostration, backache, sick headache, painful menstruation, pain in the stomach after eating, and constipation. I often thought I would lose my mind. I began to take Lydia E. Pinkham's Vegetable Compound and was soon feeling like a new woman. I cannot praise it too highly. It does all that it is recommended to do, and more.

"I hope that every one who suffers as I did will give Lydia E. Pinkham's remedies a trial."—Mrs. Marie Day, Eleanora, Pa. (March 25, 1901.)
